

WEART IS AN ENTHRALLING ANNUAL EVENT OF THE BARCELONIAN CULTURAL CALENDAR

Next Thursday 4th of October will commence the first edition of the WeArt Festival, the only international independent festival serving as a platform for artists.

**NEW MEDIA ART - FINE ARTS - PHOTOGRAPHY - WORDS-ILLUSTRATION
- VIDEO ART - STREET ART**

Seven openings, seven disciplines, seven venues, a single theme: SEX. During the months of October and November, and international crowd of both national and international artists will exhibit their works in some of the iconic art-related venues of Barcelona. Hereafter, enabling to create an alternative artistic route.

The festival will benefit from an exclusive selection of established artists that will expose together with the finalists of each discipline. Additionally, DJ's, culinary tastings, performances and other surprises will live up every opening. Fully free entrance.

WeArt aims to associate to every yearly edition a featured artist. This artist will be in charge of bringing once a year a different loop on the visual arts scene under the denomination of WeArtist. In this first edition, the WeArtist 2012 has been designated to CRAJES, both for this evolution and its promising future projection.
